Laray,

I've tried several times today to reach you by phone as I would like to talk with you in person. However, since I can't get you I will E-mail you.

I am concerned with Paul's involvement on this case. I have just forwarded to you the last E-mail I received from him. I am disturbed and angry he has brought in my personal life as it has nothing to do with this case. I do not and have not been able to find where he has received his information from at this time but he is acting inappropriately.

I have personally spoken with Lisa's landlord and he informed me Paul contacted him a couple weeks ago. I ask that he not respond to anyone except Lisa and I and that he refer anyone who calls about Lisa, back to me. He sounded relieved to be able to do so.

I have concerns with Paul regarding cases other than this as well. After the E-mails I've received from him today I strongly believe we need an immediate meeting involving you, Patti, Linda W., Ivy, Heber, Abel, OCPO, myself, and/or anyone else you feel should be there. Paul's behaviors need to end immediately. I believe he and Liz have worked together and that their behaviors have worked against the mother from the beginning. I am not stating Lisa isn't hard to work with, she is, but I do not believe our legal partners have assisted in our relationship with mom and in fact continue to interfere. I do believe they DO NOT have the best interest of the children as their priority.

Please contact me and let me know when we could meet as I would like to take care of this issue asap as a pre-trial is scheduled for August 9, 2001. I believe we need to deal with this situation prior to that hearing and I would like to know where my limits are and what you will allow me to do in dealing with this.

Thanks
