

To whom it may concern,

8/7/01

I attended a meeting at the Cottonwood Unit of The Division of Child and Family Services with Lisa Bierly on 8/7/01. While in a conversation with Lisa, Patty Van Wagoner, Dan Reed, Linda Harris and some other interested parties. We discussed a conversation that Patty, Lisa and Heber Tippetts had had the previous Friday August 3<sup>rd</sup>, 2001 in which Heber Tippetts stated, " Paul Amman, Liz Knight and Judge Johansson had already decided that Lisa's two youngest children, Leigh Bierly and Jordan Bierly were not to be returned home to Lisa.. At the meeting I attended on 8/7/01 Patty Van Wagoner apologized for this statement made by Mr. Tippetts because she said that he never should have said that.
