Physical Neglect - General	Bierly Jordan B	Bierly Elizabeth E	Y	Child's Home	Unsubstantiated
<p><small>There was not enough evidence to support this allegation. Jordan's doctor reported that Jordan's diabetes is being managed by his mother. He reported that Jordan's sugar levels have been high a school meaning he is eating things at school that he shouldn't. The doctor felt Jordan should be more closely monitored by school personnel. He wrote them a letter expressing his concerns.</small></p>
